PROJECT

Le Tout Va Bien is a traditional restaurant located in the Mézières district of Charleville-Mézières in north-east France. After opening in 2007, the owner was determined to give the restaurant a makeover and therefore brought in contractors to carry out the renovation work. Our Insula® island ceilings were chosen for the project.

CUSTOMER REQUIREMENTS

- Stylish design
- Acoustic comfort

OUR SOLUTION

INSULA® island ceilings to create a sleek, personalized decor and give users a comfortable and peaceful setting to ensure intelligible conversations while maintaining the cocktail party effect.

INSULA®

- Island ceiling concept with a white pre-lacquered steel frame and stonewool tiles to ensure direct and indirect sound absorption.

PRODUCT BENEFITS

- Stylish solution for providing additional acoustic absorption
- Structured volumes and spaces
- Color flexibility: 59 colors available
- Fire reaction: depending on the tile's filling
- Resistance to humidity: no sagging regardless of the moisture content
