

Carboni S.p.A. events venue

Correggio, Reggio Emilia - Italy

THE PROJECT

Carboni S.p.A., a top-tier company in Correggio, is an expert wholesaler of plumbing products, as well as construction materials. The company has a steel shop for cutting and selling metal profiles, as well as a bathroom fit-out and accessories department.

In the office area, some rooms on the first floor have been radically refurbished to create a multi-functional area for training, events and other corporate initiatives.

THE CUSTOMER'S REQUIREMENTS

Suspended ceilings with easily accessible white modular panels capable of guaranteeing superior acoustic performance with a stylish finish.

OUR RESPONSE

Accessible Eurocoustic Tonga® E-edge suspended interior ceiling system, made of rigid stone wool self-supporting panels offering humidity resistance, easy installation and a very high light reflection coefficient.
